"Carrying on a Proud Tradition of Learning"

Michael J. D'Ostilio
Principal

Gregory Muscelli, Ed.D.
Assistant Principal

March 23, 2019

Dear Bulldog Families:

I wanted to take this opportunity to reach out to you to talk to you about a trend I've been seeing for our building. Every time we have guests in the building, whether it's recognized figures like Jessie Chris or other people who are giving their time to educate us about things such as social media etiquette, anti-bullying, vaping, alopecia, or even weather patterns, they all leave with the same comment about how wonderfully behaved the collective student body of our school is. It happens so frequently that it has come to be expected and the students as a group rise to the occasion every time. All Dr. Muscelli and I must do is explain to them the magnitude of the moment and the students know what to do.

Having Fox News at school on Thursday was awesome as the station celebrated World Down Syndrome Day with us. That day is obviously a big deal for me personally and for other families in our school and in our district. It was just an honor for me as the principal to have the Delaware Valley see who our students are and the positivity they can bring. Bunker Hill has a great reputation because of its students and the acceptance we have for others who may have different abilities.

We have less than a quarter of the school year left. Please encourage your children to finish strong behaviorally and academically and keep that reputation we have moving full throttle to June. Before we know it, the 8th graders we've known for three years will step into high school as we welcome the young ones from Birches and Whitman.

Your children are growing into fine people. Thank you for supporting us in helping the students understand what it means to be a Bulldog in terms of ethics, kindness, and responsibility.

Hope all of you have a wonderful week!

Very Truly Yours,

Mike D'Ostilio, proud BHMS Principal
