Dear Bunker Hill Families

At approximately 2:00pm today (October 22, 2018) we obtained information regarding an alleged threat to the school. This threat was made by a student of Bunker Hill Middle School. Upon receiving this information, per protocol, we immediately conducted a threat assessment with the alleged offender. After questioning the student, the threat assessment indicated that the threat was transient in nature and that no one in the building was at risk. Students were permitted to board the busses as usual. The incident concluded with the police being briefed on the situation, the police following up with the parent of the student, the student being released to the parent, and school level discipline enacted.

At Bunker Hill we place a significant priority on the safety of our students and staff. We take threats of this nature very seriously. As the principal of Bunker Hill, I want to ensure you that your children are safe, and that the situation was handled swiftly, deliberately, and with the full cooperation of law enforcement and appropriate staff at Bunker Hill and Washington Township Schools.

Thank you very much for your attention in this matter.

Very Truly Yours,

Mike D'Ostilio

Principal, Bunker Hill Middle School
